### Credit Card on File Policy

We are committed to providing you with exceptional care, as well as making our insurance billing processes as simple and efficient as possible. With the changing environment in healthcare, insurance policies have transferred more responsibility of payment on the patient in the form of co-payments and deductibles. Thus, it has become necessary to ensure we have a guarantee of payment on file for the services rendered.

Effective August 31, 2021, we will be requiring all patients to keep a credit card on file. We will collect your credit card information at the time of your first visit. Your card information is securely protected by the credit-card processing component of our HIPAA-compliant practice management system. Once entered, staff cannot access the entire card number – we only can see the last 4 digits.

Circumstances when your card would be charged include:

- Missed or canceled appointments without 48-hour notice
- Missed co-payments, deductible, and co-insurance
- Any non-covered services and/or denial of services allocated to patient responsibility
- Outstanding balance greater than 90 days past due (unless a payment plan has been arranged)
- Purchases of product or prescriptions as requested by you (the patient)

Please note, the billing process is still the same. Your insurance will be billed, they pay their portion and notify us of the balance due (if any). Once we are notified, you will be sent a statement. Your credit card will only be charged for any outstanding balance 90 days after the first statement is sent. If you cannot pay the balance in full, please contact us to make payment arrangements. If we do not hear from you, then we will charge your card at the 90 day mark. Balances on accounts must be paid, or payment arrangements must be made prior to making further appointments.

This in no way will compromise your ability to dispute a charge or question your insurance company's determination of payment. We will continue to work with you to resolve all charges.

If you have any questions, please do not hesitate to ask.

Thank you,

Your Denver Vein/Evexias Medical Team

## **FINANCIAL & CANCELLATION POLICY**

Thank you for choosing Denver Vein Center/Exevias Medical Center for your healthcare needs. In order to achieve our goal of providing and maintaining a good practitioner-patient relationship, and providing our patients with high quality, cost-effective care, we need to have a solid financial policy. We strive to render care in a timely and prompt manner. As a general rule, any patients that are more than 10 minutes late to their appointment may need to reschedule. Occasionally we will be able to accommodate the appointment, so please call if you are running late. We ask that you carefully read and sign the following policy prior to your treatment.

We require all patients to keep a credit card on file. We will collect one at the time of your first visit. Your card information is securely protected by the credit-card processing component of our HIPAA-compliant practice management system. Once entered, we cannot access the entire card number – we only can see the last 4 digits.

Circumstances when your card would be charged include:

- Missed or canceled appointments without 48-hour notice
  - Missed co-payments, deductible and co-insurance
  - Any non-covered services and/or denial of services allocated to patient responsibility.
  - Outstanding balance greater than 90 days past due (unless a payment plan has been arranged)
  - Purchases of product or prescriptions as requested by you (the patient)
- 
- We require 48-hour notice for cancelling any appointments. A **\$50 cancellation fee** will be assessed and must be paid prior to rescheduling your appointment.
  - A **\$200 cancellation fee** will be charged for all Endovenous Laser Ablations, Phlebectomy and Ligation surgeries cancelled with less than 2 weeks notice. This is due to time constraints in getting prior authorization.
  - Upon arrival, please present your current health insurance card as well as your driver's license or another acceptable form of ID. You may be asked to present both of these items at each visit for proper identification.
  - If you do not have health insurance coverage, choose to bill your own insurance, or if our practitioners do not participate in your health insurance plan, payment **IN FULL** is due at the time of service. Acceptable forms of payment are cash, check, VISA, MasterCard, Discover, American Express and Care Credit.
  - You are responsible to make complete insurance information available to Denver Vein Center/Exevias Medical Center for accurate filing of claims. If the insurance information that you provide at the time of your visit is incorrect, you will be responsible for payment of your visit and to submit the charges to the correct plan.
  - You are responsible for checking with your insurance plan regarding any co-payment, deductible or co-insurance that you may owe at the time of service.
  - Not all services provided by our office are covered by every health insurance plan. Any service determined NOT to be covered by your plan will be your responsibility. **It is your responsibility to know your healthcare benefits and coverage limitations.**
  - For scheduled appointments, prior balances must be paid prior to the visit.
  - A \$20 fee will be charged for any checks returned for insufficient funds, plus any bank fees incurred.
  - A \$35 fee is required for the completion of forms regarding disability insurance, life insurance and FMLA.

I have read and understand Denver Vein Center/Exevias Medical Center and agree to comply and accept the responsibility for any payment that becomes due as outlined in the above policy.
